## Tripoli International Fair - General Information

Tripoli International Fair is situated on Omar Mukhtar street, Tripoli, on an area of land of more than 90.000 square meters 40.000 are covered stands and the remainder is open area.

Tripoli International Fair is considered to be one of the active members of the Union of International Fairs, which is located in the French capital of Paris.

The Union holds its annual meetings in accordance with an invitation from one of its members, one of the union's duties is to offer consulting services to its members and also to coordinate between the members of international fairs.

Tripoli International fair exchanges literature and fair slogans with other members of the Union of international fairs. The Spring period of Tripoli international fair held from 2 to 12 April.

Participation averages around 30 countries and more than 2000 companies and establishments. The fair is an international, industrial, agricultural and commercial event, it observes the regulations and international fair norms.

During the period of the fair there are many festivals in which Libyan folklore bands and other international bands participate accompanied by music and singing.
